General Description

The Cables and Accessories set contains BNC cables for making external connections to the interface modules in the Reconfigurable Training Module (RTM), a USB cable, an RJ-45 crossover connector cable, and an Ethernet adapter (network card) to be installed in the host computer.

Reflecting the commitment of Festo Didactic to high quality standards in product, design, development, production, installation, and service, our manufacturing and distribution facility has received the ISO 9001 certification.

Festo Didactic reserves the right to make product improvements at any time and without notice and is not responsible for typographical errors.
