General Description

The Accessories for the Radar Active Target Training System contain a chaff cloud simulation device, a multifunction stand, a triangular (stealth) shield to cover the Radar Jamming Pod Trainer, Radiation Absorbing Material (RAM), a set of microwave components and cables, and a sample of actual chaff.

Reflecting the commitment of Festo Didactic to high quality standards in product, design, development, production, installation, and service, our manufacturing and distribution facility has received the ISO 9001 certification.

Festo Didactic reserves the right to make product improvements at any time and without notice and is not responsible for typographical errors.
