## General Description

The Drip Tray is a package containing a large painted stainless steel drip tray to collect the water. A series of hand valves and a drain tube are also included, along with associated parts.

This model is available in two different versions: One for the front side of the workstation and one for the back side (Second team side).

Available versions:

- 46992-B Drip Tray (Front)
- 46992-C Drip Tray (Back)

Reflecting the commitment of Festo Didactic to high quality standards in product, design, development, production, installation, and service, our manufacturing and distribution facility has received the ISO 9001 certification.
