General Description

The Accessories for the Basic Radar Training System contain all the cables and accessories necessary for the operation of the Basic Radar Training System. These include: SMA flexible cables, BNC cables, a DB9 cable, an antenna motor driver cable, BNC tees, SMA attenuators, an SMA 50 Ω load, a measuring tape, a level, a waveguide-to-coax adapter, a horn antenna support, and quick-lock fasteners.

Reflecting the commitment of Festo Didactic to high quality standards in product, design, development, production, installation, and service, our manufacturing and distribution facility has received the ISO 9001 certification.

Festo Didactic reserves the right to make product improvements at any time and without notice and is not responsible for typographical errors.
