General Description

The Conduit Consumables package contains sufficient lengths of the various types of conduits (FMC, LFNC, EMT, and RMC) required for a single student to perform the work orders in the student manual provided with the training equipment package Enclosures and Conduits.

Reflecting the commitment of Festo Didactic to high quality standards in product, design, development, production, installation, and service, our manufacturing and distribution facility has received the ISO 9001 certification.
