04/2021

## Table of Contents

General Description	2
---------------------	---

### General Description

The STEM Engineering & Stress Analysis Elearning package provides 30 copies of the Student Workbook and one copy each of the Instructors Manual and Activity Guide. The Engineering & Stress Analysis eSeries content is made available to the end user virtually via the MindSight appliance or a hosted URL. There is no physical copy of the content, only a license agreement.

Reflecting the commitment of Festo Didactic to high quality standards in product, design, development, production, installation, and service, our manufacturing and distribution facility has received the ISO 9001 certification.

Festo Didactic reserves the right to make product improvements at any time and without notice and is not responsible for typographical errors.
